Dear Sir,

Further to your Clubs recent fixture with ourselves it has been brought to my attention that a brand new Tackling Bag disappeared from our premises. I should

be obliged if you could throw any light on this matter and inform me whether or not it was taken by any of your members. If so, I can only believe it was taken in fun and

I hope this will not harm our already excellent relationship.

Awaiting to hear from you,

Yours truly

Rick Wate
