Chairman's Foreword

On behalf of Northampton Trinity I would like to extend a warm welcome to our visitors this afternoon. Stoneygate are a top Leicestershire side with a long-standing tradition for playing good quality rugby.

For Trinity this is their third League outing this season and, hopefully, it will be third time lucky to easy them away from the bottom of the East Midlands/Leicestershire League.

On a brighter note the clubhouse refurbishment is going well and an official opening is scheduled for November. More details to follow nearer the time, it is anticipated everyone will have a good time!

Good luck to both teams with this afternoon's game and hopefully there will be some entertaining rugby for all concerned.

Howard Cooke
Chairman
